HAND & TABLE MICROTOME

TABLE-CUT-24

A compact and economical hand and table manual microtome designed for precise tissue sectioning. Its sturdy table-mounted construction, smooth operation, and accurate feed mechanism make it ideal for routine histology, pathology, and educational laboratories.

KEY FEATURES

- ✓ Compact table-mounted design.
- ✓ Precision micrometer feed adjustment.
- ✓ Uniform and accurate tissue sectioning.
- ✓ Robust and durable construction.
- ✓ Easy manual operation and maintenance.
- ✓ Suitable for teaching, research, and routine histology work.
- ✓ Stable clamping mechanism for secure mounting.
- ✓ Lightweight and portable design for laboratory use.

Benefits

- ✓ Consistent section quality
- ✓ Easy installation and operation
- ✓ Cost-effective solution for routine sectioning
- ✓ Compact design saves laboratory space
- ✓ Reliable performance with minimal maintenance
